**Persimmon Homes - Cranbrook Cobdens Eastern Expansion- Consultation Website**

<https://sites.google.com/view/cranbrook-consultation>

**PERSIMMON HOMES COBDENS EXPANSION CONSULTATION OPENS today - closing date 18th December 2020**

**I note that these are still ahead of the final decision being announced on the viability and plans for the Cranbrook Expansion Plan from the Planning Inspector hearings that ended last week.**

**I have today been notified that Persimmon homes have opened their public consultation. This is ahead of them making a formal planning Application to EDDC. I have copied below the wording from the Persimmon site.**

*Welcome to the public consultation website for the proposed development of the Cranbrook Cobdens Expansion Area by Persimmon Homes. Cranbrook Cobdens is an allocated site within the adopted East Devon District Council Local Plan which has been subject to public consultation and Independent Examination by the Planning Inspectorate.*

#### **PUBLIC CONSULTATION**

*The purpose of this website is to enable local residents to view the plans for the proposed development and enable them to provide any thoughts that they might have about the development.*

*An online consultation exercise has been prepared to ensure that residents are able to provide comments and feedback to the Developer prior to the submission of a Planning Application to East Devon District Council.*

*Visitors to the website are encouraged to fill out the feedback form found via the 'Your Views' tab in the navigation bar.*

*Please take the time to explore the website to understand the development in detail. Thank you for your interest in Persimmon Homes' public consultation on the Cranbrook Urban Extension. We look forward to hearing your views.*

#### **WHAT IS COBDENS?**

*Cranbrook Cobdens is one of four expansion areas of Cranbrook set out in the emerging Cranbrook Development Plan Document. The Cranbrook Cobdens expansion area is located to the east of the existing Cranbrook development. There are three other expansion areas for Cranbrook named Bluehayes, Treasbeare and Grange. This consultation website has been set up for public comments to be made solely on the proposed Cobdens expansion area for Cranbrook.*
